## PROJECTS

### Scout Projects — Details

In scouts, kids going for their Eagle Scout rank must do one service project as part of the requirement. The other scouts are allowed to help with this as it can assist them in getting enough service hours to also advance in the ranks. I have assisted in many projects in my time in scouts.

One project I assisted in was repainting the church patio at the ascension church in north olmsted. It took 4 days and I ruined my favorite pants during it, but I think it was worth it.

Other projects that we have worked on were down in frostville (A historic sight in north olmsted), where my troop has helped out a lot. We have repaired some walk ways, and we also cleaned up a house where a murder happened.

In cross country, we help out at the senior citizen center, and make breakfast and serve the elderly.

## AWARDS

**Camper of the week at  
Beaumont Scout camp  
reservation.** By earning this  
award it shows that I showed  
leadership and discipline.

**I have achieved the rank of Jr.  
Blackbelt in my karate class.**  
This shows I can be dedicated  
to something and keep with it.

**I got my varsity letter in  
swimming.** I worked hard,  
showed up when I needed to,  
and was able to push myself  
to get my varsity letter.
